| <p><u>Agenda Items:</u> No formal agenda for this meeting</p> | |
| <p><u>Discussion:</u></p> <ol style="list-style-type: none"> 1. Scott Clardy discussed some legislative issues that will be coming up in the next special session and next legislative session. He also reported that MOCphe will hire a lobbyist and he will be the chair of their legislative committee. 2. Casey Parnell discussed the no-cost grant extension that was approved by the foundations and is scheduled to end now on May 31, 2021. 3. She reported on the push to work with George Washington University and discussed Phase III. 4. The two page “Snapshot” info piece was discussed and several small changes were suggested before it is sent to the LPHAs. 5. Local Authority legislation was discussed and everyone was asked to watch for this legislation to be re-introduced in the next session. 6. “Invest in Public Health” info piece was discussed. MPHA shared it out in their newsletter to members. 7. It was suggested that the public health organizations put on a webinar with a panel of public health administrators and experts with an open forum and a Q & A session. Boeckman will contact Dalen Duitsman to try to get this underway. | <p><u>Actions:</u></p> <ol style="list-style-type: none"> 1. Coordinate a webinar for public health administrators. |
| <p><u>Next steps:</u></p> <ol style="list-style-type: none"> 1. Sandy will reach out to Prof Orgs Executive Directors to discuss joint creation of resources for LPHA Administrators | |
